This is a... J-Jack Track Man

I guess I just can't let this moment slip away  
Cause I got my eye on you  
I see ya lookin' over your shoulder  
Let me make my way over  
Excuse me, miss lady, how ya doin'  
Your body lookin' right  
Your're type I like  
And I'm pursuin'  
Can I get a little closer  
So I can get to know you and exchange names and  
thangs  
Before the night is over, uh

All I really want is  
For you to back it up go on and  
Put your weight on it  
Cuz it's alright  
Do what you wanna  
Make me believe ya  
Ooh I wanna see ya

Get it shawty  
Get it shawty  
Get it shawty  
Get it shawty  
Get get get get  
Get it shawty  
Get it shawty  
Get it shawty  
Get it shawty

I guess if I can let the night just drift away (away)  
So baby whatcha gon' do?  
Cause I don't wanna lose it  
Come on keep it movin'  
Excuse me, miss lady, how ya doin'  
Your body lookin' right,  
You're the type I like  
And I'm pursuin' can I get a little closer  
So I can get to know you and exchange names and

thangs  
Before the night is over uh

All I really want is  
For you to back it up go on and  
Put your weight on it  
Cuz it's alright  
Do what you wanna  
Make me believe ya  
Ooh I wanna see ya

Get it shawty  
Get it shawty  
Get it shawty  
Get it shawty  
Get get get get  
Get it shawty  
Get it shawty  
Get it shawty  
Get it shawty

Jeans tight,  
High heels,  
This is how you make me feel,  
Lips glossed,  
Teeth white,  
Apple bottoms let me bite,  
Spend the night,  
Catch a flight,  
We can do it, what you like,  
Feelin right you smellin good,  
Let's get this understood,  
Is there something your not telling me  
Are you the daughter of Frankie Beverly  
Cause the way you move, the way you groove  
I'm a fan and you're the celebrity  
She doing freaky stuff  
Shawty got me kinked up  
Like Fabo, I got play dough  
Let me show you street love, ow!

All I really want is  
For you to back it up go on and  
Put your weight on it  
Cuz is it alright  
Do what you wanna  
Make me believe ya  
Ooh I wanna see ya

Get it shawty  
Get it shawty

Get it shawty  
Get it shawty  
Get get get get  
Get it shawty  
Get it shawty  
Get it shawty  
Get it shawty
