you said that you loved me,  
you said you'll never let me down  
Behind my back you were laughing  
taking me for a circus clown  
knocking booze with my best friend  
after he wore my dressing gown  
and now you wanna come and tell me sorry sorry  
no can do.  
you said that you loved me  
not just for the songs I sing  
behind my back you were scheming  
to get a share of the bling bling thing  
disregarding my feelings  
spreading rumors to your girlfriends  
and now you wanna come and tell me sorry  
no no no  
get out  
and take your bags with you
