[Lloyd: Talkin']

Yeah, ha

See right about now

I wanna talk to you about something that's real

See baby we been together for a long time now

And uh, well

I don't know how to day this but uh

I watched us go from nothin to somethin' ya know?

It seems like we forget how to love each other

And I don't wanna throw that away

So, let me explain to you how I feel

Listen

[Verse 1:]

Do you remember

When I used to call your phone

That slow song would come on

And your voice said you ain't home

Do you remember

You were proud to tell your friends

You had a ghetto man and

And he lived in ghetto land

Somethin happened

And now that we got dough

You act like you don't know

How to do it on the floor

I ain't tryna say we changed

But it just don't feel the same

Girl why can't we go back to the old days

[Chorus:]

I want that ghetto love

The smell of eggs and balogna when I'm wakin' up

When we'd pull over on the highway girl and make  
some lovin

In my brother's truck

Tell me why can't we go back yeah

Why can't we go back

To that ghetto love

Where I sit up on the porch and you'd braid my hair

Put them old records on and we'd dance right there

We didn't have a care

Tell me why can't we go back yeah  
Why can't we go back yeah

[Verse 2:]

Do you remember  
When we would ride through the 'hood on a Saturday  
Open up our trunk inside the park and let our music  
play  
And we would barbeque even though it ain't no holiday  
Baby that's what I'm sayin'  
Somethin' happened  
Now I'm doin' videos  
And I'm doin' all these shows

And I don't feel this love no more  
I ain't tryna say we changed  
But it just don't feel the same  
Baby let's go back to the old days

[Chorus:]

I want that ghetto love  
The smell of eggs and balogna when I'm wakin' up  
When we'd pull over on the highway girl and make  
some lovin  
In my brother's truck  
Tell me why can't we go back yeah  
Why can't we go back  
To that ghetto love  
Where I sit up on the porch and you'd braid my hair  
Put them old records on and we'd dance right there  
We didn't have a care  
Tell me why can't we go back yeah  
Why can't we go back yeah

[Bridge:]

We can't we just go back girl  
We can't we just go back girl  
I know you hear me baby  
Tell me you with it lady  
Hey come on come on let's go let's go  
We can't we just go back girl  
We can't we just go back girl  
I ain't tryna say we changed  
But it just don't feel the same  
Baby let's go back to the old days

[Chorus:]

I want that ghetto love  
The smell of eggs and balogna when I'm wakin' up  
When we'd pull over on the highway girl and make  
some lovin

In my brother's truck  
Tell me why can't we go back yeah  
Why can't we go back  
To that ghetto love  
Where I sit up on the porch and you'd braid my hair  
Put them old records on and we'd dance right there  
We didn't have a care  
Tell me why can't we go back yeah  
Why can't we go back yeah

Yeahh ooohh  
Ohh alright  
Your my baby  
Be my baby  
'Cause I love you baby
