If you wanna be my girlfriend
Then girl you gotta know what I like
Such a crazy world I'm living in
So let's allow me the key tonight
You don't have to be a perfect 10
All you gotta be is ite
And if you was my girlfriend, I'd let you stay tonight

Tell me what's your name and number
Do ya mind if I call ya
(Call me, course not)
Baby expalin the feeling I get inside
Whenever I get around ya
(Well I just got out of a relationship, and I don't know if
I'm ready or not)
How can that be, when I feel so alive
And your love is the reason why
(I'm kinda feeling you too, but what are we gunna do)
Baby hurry up, now we don't have much time
No turnign back now, were in too deep
Don't be afraid to cross the line

I'll make you mine you see

If you wanna be my girlfriend
Then girl you gotta know what I like
Such a crazy world I'm living in
So let's allow me the key tonight
You don't have to be a perfect 10
All you gotta be is ite
And if you was my girlfriend, I'd let you stay tonight

If you wanna be my girlfriend
Then girl you gotta know what I like
Such a crazy world I'm living in
So let's allow me the key tonight
You don't have to be a perfect 10
All you gotta be is ite
And if you was my girlfriend, I'd let you stay tonight
