*All around the world, girls, all around the world
This goes out to girls all around the world

(I just want to be your man girl
So uh, gotta make you understand girl)
It's the way you flip your hair
And those stylish clothes you wear
When you walk into the room
All my partners stopped and stared at you
(All around the world, girls, all around the world
This goes out to girls all around the world)
But they just been the usual
(All around the world
This goes out to girls all around the world)
It's the tattoo on your back
And that brand new Louie bag
With them matchin' high heels
I can't help this girls swag's the truth (All around the
world, girls, all around the world
This goes out to girls all around the world)
And I just want to give her love, oh (All around the
world
This goes out to girls all around the world)

(Girl I) can't get you off my mind
You're like my favorite song (song)
Just want to turn you on
And work you all night long 'cause I (oh I)
(All around the world, girls, all around the world
This goes out to girls all around the world)
I just want to be your man (I just want to be your man)
(All around the world
This goes out to girls all around the world)

Just to smell your perfume, got me goin' out my head
See you comin' see you goin', never met someone as
bad as you
(All around the world, girls, all around the world
This goes out to girls all around the world)
Since you're my favorite girl, yeah
(All around the world
This goes out to girls all around the world)

I know just what you need, to make you look complete
This platinum wedding ring, 'cause oh I got a thing for
you

(All around the world, girls, all around the world

This goes out to girls all around the world)

I'm a take you around the world, oh baby

(All around the world

This goes out to girls all around the world)

(Girl I) can't get you off my mind

You're like my favorite song (song)

Just want to turn you on

And work you all night long 'cause I (oh I)

(All around the world, girls, all around the world

This goes out to girls all around the world)

I just want to be your man

(All around the world

This goes out to girls all around the world)

(Ah hah hah, yeah)

OK I'm thinkin' of a master plan

Nah, I'm lyin', shorty on my mind

Shorty like a fryin', pan, and I ain't got

Nothin' but sweat inside my hands

(All around the world, girls, all around the world

This goes out to girls all around the world)

So I dig into my pocket, all my money is spent

But I don't need a cent, 'cause shorty priceless

I tell it like this, I been (all around the world)

So baby I can take you (all around the world)

I roll up, this is a hold up

It's young money man, shorty made me smile

When ain't a damn thing funny

He heh, but still don't nothin' move but the money

So baby if I move then we move with the money

(All around the world, girls, all around the world

This goes out to girls all around the world)

Which is my favorite dish

But if I taste you that'll probably switch

And then we will probably switch

(All around the world

This goes out to girls all around the world)

Now I'm walking up the street, whistling this

Can't get you off my mind

You're like my favorite song (song)

Just want to turn you on

And work you all night long 'cause I (oh I)

(All around the world, girls, all around the world

This goes out to girls all around the world)

I just want to be your man (I just want to be your man)
(All around the world
This goes out to girls all around the world)
Can't get you off my mind
You're like my favorite song (song)
Just want to turn you on
And work you all night long 'cause I..
