All around the world, girls, all around the world
This goes out to girls all around the world

(I just want to be your man, girl)
(So uh, gotta make you understand girl)
It's the way you flip your hair and those stylish clothes
you wear
When you walk into the room all my partners stopped
and stared at you

(All around the world, girls, all around the world)
(This goes out to girls all around the world)
But they just been the usual
(All around the world, this goes out to girls all around
the world)
It's the tattoo on your back and that brand new Louie
bag
With them matchin' high heels, I can't help this girls
swag's the truth

(All around the world, girls, all around the world)
(This goes out to girls all around the world)
And I just want to give her love, oh
(All around the world, this goes out to girls all around
the world)

(Girl, I)
Can't get you off my mind, you're like my favorite song
(Song)
Just want to turn you on and work you all night long
'cause I
(Oh, I)
(All around the world, girls, all around the world)
(This goes out to girls all around the world)

I just want to be your man
(I just want to be your man)
(All around the world, this goes out to girls all around
the world)

Just to smell your perfume, got me goin out my head
See you comin', see you goin', never met someone as

bad as you
(All around the world, girls, all around the world)
(This goes out to girls all around the world)
Since you're my favorite girl, yeah
(All around the world, this goes out to girls all around
the world)

I know just what you need, to make you look complete
This platinum wedding ring, 'cause oh, I got a thing for
you
(All around the world, girls, all around the world
This goes out to girls all around the world)
I'm a take you around the world, oh baby
(All around the world, this goes out to girls all around
the world)

(Girl, I)
Can't get you off my mind, you're like my favorite song
(Song)
Just want to turn you on and work you all night long
'cause I
(Oh, I)
(All around the world, girls, all around the world)
(This goes out to girls all around the world)

I just want to be your man
(All around the world, this goes out to girls all around
the world)

(Ah, ah ah, yeah)
Okay, I'm thinkin' of a master plan
Nah, I'm lyin', shorty on my mind
Shorty like a fryin' pan and I ain't got
Nothin' but sweat inside my hands

(All around the world, girls, all around the world)
(This goes out to girls all around the world)
So I dig into my pocket, all my money is spent
But I don't need a cent 'cause shorty priceless

I tell it like this, I been
(All around the world)
So baby I can take you
(All around the world)

I roll up, this is a hold up, it's young money man
Shorty made me smile when ain't a damn thing funny
He eh, but still don't nothin' move but the money
So baby, if I move then we move with the money
(All around the world, girls, all around the world)
(This goes out to girls all around the world)

Which is my favorite dish?
But if I taste you that'll probably switch
And then we will probably switch
(All around the world, this goes out to girls all around
the world)
Now I'm walking up the street, whistling this

Can't get you off my mind, you're like my favorite song
(Song)
Just want to turn you on and work you all night long
'cause I
(Oh, I)
(All around the world, girls, all around the world)
(This goes out to girls all around the world)

I just want to be your man
(I just want to be your man)
(All around the world, this goes out to girls all around
the world)

Can't get you off my mind, you're like my favorite song
(Song)
Just want to turn you on and work you all night long
'cause I
