[Lloyd:]

Yeah

[Verse 1:]

Ooh yeah

I can remember when i met you

You had

All of my homies talkin bout you

And i

Thought it'd be cool if i got at you

So we can spend a lil time

I can get to know you, tell me ya name

Im beginnin to see

The more we hang together..

Babygirl i like you

Cuz your better

Than any average chick

That i was rollin wit

I knew it was love at first sight

[Hook:]

I never met a girl like you before

I can count on you

Whenever i need to take it slow

And you be taking me up up and away we go

Ya got my eyes so low

And they damn near closed

[Chorus:]

And ey Hazel

I like you

Can't see myself without you,

My sweet hazel

Cuz i think im in love (im in love)

Ey hazel

I like you

Cant see myself without you,

My sweet hazel

Girl, i think im in love (im in love)

[Verse 2:]

Multiple times[?] people be tellin me  
To let ya go  
But tha bond i got witchu  
Is stronger than they even know  
And just to prove it to ya girl  
Ya know i love ya so much  
I hit tha corner store for you  
And scrape tha guts out a dutch  
Its like tha things you say  
To me when im feelin hurt  
Ya pick me up when i go thru it  
That's why i put you first  
When everybody be constantly stressin  
It worse[?]  
You tha one that i come running to  
To ease mah nerves

[Hook:]

And I never met a girl like you before  
I can count on you  
Whenever i need to take it slow  
And you be taking me up up and away we go  
Ya got my eyes so low  
And they damn near closed

[Chorus:]

And ey Hazel  
I like you  
Can't see mahself without you,  
My sweet hazel  
Cuz i think im in love (im in love)  
Ey hazel  
I like you  
Cant see mahself without you,  
Mah sweet hazel  
Girl, i think im in love (im in love)  
LOOVEE

[talking:]

Girl come here  
Lemme take a look at them purple highlights in ya hair  
Haha  
That's crazy  
Ya know  
Usually I'd share you wit mah homies  
But i think ima keep you all to mahself  
Ya dig? yeah.

[Chorus:]

Ey Hazel

I like you  
Can't see mahself without you,  
My sweet hazel  
Cuz i think im in love (im in love)  
Ey hazel

Cant see mahself without you,  
My sweet hazel  
Girl, i think im in love (im in lov, im in love)

Ey Hazel
