"I Can Be More"

(feat. J. Holiday)

[Lloyd:]

She's just not into you partner, that's why she's calling me.

She said she's sick of you player, here's where she wants to be.

I've had enough of you calling, tired of you disturbing us.

(Yeah) It's clear you lost a good thing but, now I'm the one she loves.

Oh! Uh, Uh, Uh.

Now u may be her man, and I may be her friend, You're where she began and this is where it ends.

You gave it your best, but she had to leave cause I can be more, more, more than you'll ever be.

[Chorus:]

I can be more, more than you'll ever be.

I can be more, more than you'll ever be.

I can be more, more than you'll ever be.

More, More, More than you'll ever be.

[J. Holiday:]

Who do you think you are partner, she's still in love with me.

(Yeah) What makes you think that she's leaving, she hasn't packed her things.

(No) You say now that she loves you and, how she's so done with me.

(Yeah) When she gets sick of you pimpin, she'll start back callin me.

Yeah. Uh, Uh.

I'll always be her man, and you may be her friend.

But I'm where she began, and I'll be where she ends.

You can try your best but she'll come back to me.

I can be more, more, more than you'll ever be.

[Chorus:]

I can be more, more than you'll ever be.

I can be more, more than you'll ever be.

I can be more, more than you'll ever be.

More, More, More than you'll ever be.
