[Verse One]

Where you going?  
turn around  
what you're looking for  
has been found  
baby i'm right here  
excuse me if i seem a bit blunt  
but i know what i want and it's you

[Hook]

look into my eyes oh girl  
see your breaking me down  
i just wanna ride you girl  
no better time then now  
baby i don't wanna

[Chorus]

i don't wanna lose your love tonight  
i just wanna use your love tonight  
i don't wanna lose your love tonight  
i just wanna use your love tonight

[Verse Two]

I ain't tryna rush you  
take your time  
but don't take too long  
it's in here tonight baby  
sharing is caring babe  
and i wanna share all of my love  
don't you hear me  
everything

[Hook]

look into my eyes oh girl  
see your breaking me down  
i just wanna ride you girl  
no better time then now  
baby i don't wanna lose  
your love tonight

[Chorus]

i don't wanna lose your love tonight

i just wanna use your love tonight  
i don't wanna lose your love tonight  
i just wanna use your love tonight

[Horns]

[Hook]  
eyes o girl  
breaking me down  
ride you girl  
time is now  
baby i don't wanna

[Chorus]  
i don't wanna lose your love tonight  
i just wanna use your love tonight  
i don't wanna lose your love tonight  
i just wanna use your love tonight
