"If He Knew"

Hey, hey, hey,
Street Love
Hey

You came around my way
Acting like you needed
Somebody to show you some love
He ain't ever there
Plus you don't feel him
The way you do me
Keep on doing what you're doing
Cause I'm loving what you're doing to me, to me, to me
He playing games and it ain't cool
But it's okay cause girl I got what you need, you need

And I bet he would be mad if he knew
If he knew, if he knew, if he knew
I was loving you
And I bet he would be mad if he knew
If he knew, if he knew, if he knew
I was loving you
I bet he would be mad so

Bom, bom, bom, bom, bom, bom, bom, bom, hey
Bom, bom, bom, bom, bom, bom, bom, bom, hey
Bom, bom, bom, bom, bom, bom, bom, bom, hey
Bom, bom, bom, bom, bom, bom, bom, bom, hey
[repeat]

If ya nigga knew what we do on the low
He'd prolly get mad but he ain't gotta know
I keep my hat low
Hit the back door
My Maserati fast
Watch me get ghost (vroom vroom)
It's way too easy
While he busy tryna stunt like Baby and Weezy
I pull up at the front in the Aston Meezy
And I know Weezy, please believe me

If he knew, if he knew, if he knew
I was loving you
And I bet he would be mad if he knew
If he knew, if he knew, if he knew
I was loving you
I bet he would be mad so

When you're out with me
Baby it's a special thang
We be chillin' til the sun come up (yeah)
When you're out with him
I know it don't mean a thang

And I bet he would be mad if he knew
If he knew, if he knew, if he knew
I was loving you
And I bet he would be mad if he knew
If he knew, if he knew, if he knew
I was loving you
I bet he would be mad so

Bom, bom, bom, bom, bom, bom, bom, bom, hey
Bom, bom, bom, bom, bom, bom, bom, bom, hey
Bom, bom, bom, bom, bom, bom, bom, bom, hey
(And I bet he would be mad if he knew)
Bom, bom, bom, bom, bom, bom, bom, bom, hey

Bom, bom, bom, bom, bom, bom, bom, bom, hey
Bom, bom, bom, bom, bom, bom, bom, bom, hey
Bom, bom, bom, bom, bom, bom, bom, bom, hey
(And I bet he would be mad so)
Bom, bom, bom, bom, bom, bom, bom, bom, hey

And I bet he would be mad so...
