more on top of the world, sitting on top of the world

innie minnie miny, innie minnie miny moe,  
innie minnie miny moe, those're coming to me  
everybody innie minnie miny moe,  
innie minnie miny moe, innie minnie miny moe,  
which one really is it you, is it her,  
is it this girl is it you, .. is it her, is it her  
which one will it be?

au revoir, hello, when i dance with you came with the ..  
girl you look so good, damn i wish i could  
fly you out tonight away, beat it up stairs on the balcony  
me on you, you on me, don't .. you don't know,  
you are .. what i'm giving all this love and you missin'.

chorus:

innie minnie miny, innie minnie miny moe,  
innie minnie miny moe, those're coming to me

everybody innie minnie miny moe,  
innie minnie miny moe, innie minnie miny moe,  
which one really is it you, is it her,  
is it this girl is it you, is it her, is it her  
which one will it be?

au revoir, hello, like a start you glow  
damn you look so good  
girl i wish i could fly you out to central ..  
wash the .. blow across your face ...  
you can have it your way  
don't front or you'll be missin' all this love i'm givin'.

[chorus:]

tell me is coming home with me?

[chorus:]

don't let go!
