Open up the door  
Baby, I'm knock knockin'  
'Cause I wanna take a ride in your love spaceship  
'Cause I wanna take a ride in your love spaceship

I'm gonna open up the door  
And let your love inside  
Got so much more in store, baby  
Do you want to ride?

I could tell by the look in your eyes  
That I'm turning you on  
Come stay another night  
I don't wanna be alone

And I know it may sound crazy  
But you really got me gone  
I just can't help it, baby  
I'm in the zone

You make me wanna buy your love  
So you'll be all my own  
Ring, ring, ring your phone  
Girl, can you come over?

Open up the door  
(Oh)  
Baby, I'm knock knockin'  
(I'm knocking)  
'Cause I wanna take a ride in your love spaceship  
(Come ride)

Open up the door  
(Oh)  
Baby, I'm knock knockin'  
(I'm knocking, so let me in)  
'Cause I wanna take a ride in your love spaceship, boy  
(Do you wanna ride?)

I wanna take you to the moon  
'Cause you're my shiny star  
My spaceship goes soon

Ha! You don't need no car

Wanna be with you darling  
You're always on my mind  
Come over stop stalling  
Ain't got a lot of time

Yes, I know it may sound crazy  
But I wanna make you moan  
Baby, I'll satisfy you  
Till your mind is strong

Do anything to try your love  
Before you run on home  
Ring, ring, ring your phone  
Girl, can you come over?

Open up the door  
(Oh yeah)  
Baby, I'm knock knockin'  
(I'm knocking, won't you let me in?)  
'Cause I wanna take a ride in your love spaceship  
(Wanna take a ride, yeah yeah  
Don't you wanna ride with me girl?)

Open up the door  
(Oh)  
Baby, I'm knock knockin'  
(I'm knocking, all in the end)  
'Cause I wanna take a ride in your love spaceship  
(In your love spaceship yeah, know you wanna ride,  
let's go!)

You're incredible  
Take me to your love, baby  
Me too  
You so crazy

Take me to your love, baby  
Really  
Take me to your love, baby  
Let's go

Open up the door  
Baby, I'm knock knockin'  
(I'm knocking, so let me in, oh baby)  
'Cause I wanna take a ride in your love spaceship  
(Yeah, yeah, don't you wanna ride with me, girl)

Open up the door  
(Oh)

Baby, I'm knock knockin'  
(I'm knocking, all in the end)  
'Cause I wanna take a ride in your love spaceship  
(In your love spaceship, know you wanna ride, let's go!)

Ohh, I can't live  
Ohh and your love, yeah
