Your in my life  
Everyday  
And barkin at every little thing I do  
Its because of you  
Im the man that I am  
And no one  
Can ever replace your love  
Your my antie  
My sister  
My mother  
Sharin my story unlike no other  
Stay as amazing as you are  
Stay as beautiful as you are  
Stay as strong as you are

Miss lady  
Miss lady  
As lovely as a girl could be  
Miss lady  
Your lovin means the world to me  
Miss lady  
The reason that I got this far  
Whenever times got hard  
You pulled me out the dark
