### "Money On The Brain"

(feat. Bree)

*[Lloyd:]*

Switchin' up lanes doin' my thang livin' my life the way I  
wanted  
pickin' up speed headed to the bank money on the  
brain on me and my homies  
I got money on the brain, I got money on the brain [x3]

*[Bree:]*

You send me in circles you give me the chills  
you know how to blow my mind you know just how to  
make me feel  
Let's escape for awhile on this magic carpet ride we  
can fly  
high, high, high we can go for a ride up and away want  
to fly, fly, fly, fly, fly

*[Lloyd:]*

Switchin' up lanes doin' my thang livin' my life the way I  
wanted  
pickin' up speed headed to the bank money on the  
brain on me and my homies  
I got money on the brain, I got money on the brain [x3]

*[Bree:]*

You send me in circles you give me the chills  
you know how to blow my mind you know just how to  
make me feel  
Let's escape for awhile on this magic carpet ride we

high, high, high we can go for a ride up and away want  
to fly, fly, fly, fly, fly

*[Lloyd:]*
