Walking thru the mall, if you like it you can have it  
Don't be scared babe, go head and grab it  
I'm like an addict girl spendin' is my habit  
Jessica Rabbit so I keep you wit dem Karats  
Red Bottoms with a bag baby  
It ain't nothin' cause you're my lady  
You're now rockin' wit the best  
I gotta confess  
Girl you're bangin' in your dress (crazy)

From head to toe thought I'd let you know  
You're so sexual  
So hot to cold in your open toes  
Got me losing control  
And shawty I can't help it  
Cause girl you got me helpless  
And I can't deny it, so let's buy it  
I'm not selfish no

Cause girl I wanna put you on (uh huh, uh huh, hey)  
And I can buy you anything you want (uh huh, uh huh,  
hey)  
It ain't trickin' if you got it  
And girl I got it, so don't think about it  
Girl with me you're never window shoppin'  
Girl with me you're never window shoppin' no

My dear, my dear, my dear I think you know me and I  
know you very well  
So let me show you that I got you  
Gucci bags, Louis bags I can cop you  
You ain't gotta check the tags, I won't stop you  
Hit the dealership, I can drop top you  
In the condo, bedrock you  
You're now rockin' wit the best  
Lloyd YG gone tatt it on your chest baby

From head to toe thought I'd let you know  
You're so sexual

So hot to cold in your open toes  
Got me losing control

And shawty I can't help it  
Cause girl you got me helpless  
And I can't deny it, so let's buy it  
I'm not selfish no

Cause girl I wanna put you on (uh huh, uh huh, hey)  
And I can buy you anything you want (uh huh, uh huh, hey)  
It ain't trickin' if you got it  
And girl I got it, so don't think about it  
Girl with me you're never window shoppin'  
Girl with me you're never window shoppin'

If you like it, you can have it  
I got paper, I got plastic  
Baby you ain't gotta ask it  
Anything you want is yours  
I can take you on a shoppin' spree  
I ain't trippin' girl it's all on me  
Baby we can get it poppin'  
Cause with me you're never window shoppin' no

From head to toe thought I'd let you know  
You're so sexual  
So hot to cold in your open toes  
Got me losing control  
And shawty I can't help it  
Cause girl you got me helpless  
And I can't deny it, so let's buy it  
I'm not selfish no

Cause girl I wanna put you on (uh huh, uh huh, hey)  
And I can buy you anything you want (uh huh, uh huh, hey)  
It ain't trickin' if you got it  
And girl I got it, so don't think about it  
Girl with me you're never window shoppin'  
Girl with me you're never window shoppin' no
