Oh, oh, oh, oh baby, yeah, oh

I'm writing you a letter
To let you know what's on my mind
Shawty, I can love you better
Promise I won't waste your time

I think we should be together
If you agree show me a sign
Come give me a piece of heaven
Girl you opened up my eyes

You've opened up my eyes
To the other side of love
I've been waiting all my life
'Cause she'll be the one for me, for me

I know you've got another
But baby he don't do you right
I can be your secret lover
Stay with you all through the night

All I'm asking girl is try me
Come with me, I'll change your life
Show you things you've never seen girl
I can open up your eyes

You've opened up my eyes
To the other side of love
I've been waiting all my life
Seems I can't get enough
'Cause girl you're so fly
'Cause she'll be the one for me, for me

You've opened up my eyes
To the other side of love
I've been waiting all my life
Seems I can't get enough
'Cause girl you're so fly
'Cause she'll be the one for me, for me

Now, I just want to love you down

Oh, I'm so happy when your love's around
My life's better when your closest
Feels like I'm above the clouds
And no, there's no, telling if I'll touch the ground
I have no cares on air I'm floating

You've opened up my eyes
To the other side of love
I've been waiting all my life
Seems I can't get enough
'Cause girl you're so fly
'Cause she'll be the one for me, for me

You've opened up my eyes
To the other side of love
I've been waiting all my life
Seems I can't get enough
'Cause girl you're so fly
'Cause she'll be the one for me, for me

In love, in love, in love
