She's a waitress working... at the corner cafe  
And when she takes my order, I can't find my words to  
say  
But I won't, it's really hard, I try  
But I don't, wanna be like all the other guys  
So I just take a middle picture instead  
The... been exposed... in my head  
I think bout it all the time, and imagine she's mine

Playboy centerfold, centerfold,  
She likes to do what she's told  
Everywhere she pose for the camera, camera  
She's a pro, not an amateur X 2  
My playboy centerfold

She's the type of girl you see in...  
Lighting up the movie screen  
And I know, she could be everything  
But I hope, one day she nodeses me  
Till then I fantasize in my head  
That's she's all laying nude in my bed

Kiss, kiss, click, click, tell me girl can you imagine it?

Playboy centerfold, centerfold,  
She likes to do what she's told  
Everywhere she pose for the camera, camera  
She's a pro, not an amateur X2  
My playboy centerfold

Girl I can picture it, can you imagine it  
Stop, pose, now change it up a bit  
Girl I can picture it, can you imagine it  
Stop, pose, now change it up a bit  
All I wanna do is know you, love you  
Let me show you you can be mine

Playboy centerfold, centerfold,  
She likes to do what she's told  
Everywhere she pose for the camera, camera  
She's a pro, not an amateur X2

My playboy centerfold.
