Thou shall not run these streets, thou shall not hit these clubs

Every night of the week lookin' for some groupie love  
Thou shall respect your heart, thou shall not play you hard

But I did, I was wrong and I'm hatin' it

'Cause now I'm callin' ya cell phone over and over  
My high is gone but I don't wanna be sober  
I'm feelin' sick and I ain't got the flu, girl I'm missing you

And girl I'm on my knees  
I promise I'll be good and I will never do it again  
I'm on my knees, I can't get over you  
All I need is one more chance

I was just playin' wit them girls, I was gonna get right back  
I was trippin' yo' love is where it's at  
I'm on my knees, Lord please show me some love  
And answer this player's prayer

Thou shall not stand you up, thou shall not put his friends  
Before you and leave you lonely every weekend  
Thou shall not waste your time, thou shall not make you cry  
But I did, I was wrong and I'm hatin' it

'Cause now I'm callin' ya cell phone over and over  
My high is gone but I don't wanna be sober  
I'm feelin' sick and I ain't got the flu, girl I'm missing you

Girl I'm on my knees  
I promise I'll be good and I will never do it again  
I'm on my knees, I can't get over you  
All I need is one more chance

I was just playin' wit them girls, I was gonna get right back

I was trippin' yo' love is where it's at  
I'm on my knees, Lord please show me some love  
And answer this player's prayer

I'm sorry, I must have been crazy  
Baby I'm lost out tryin' to find me  
I need your love right here to guide me

Home is all I know, I thought you loved me for sho'  
And I want it back, please don't say that, I can't get it  
back  
Lord please answer this player's prayer  
Oh no, oh no, oh no, hear my prayer, oh no, oh no, no,  
no, no

Girl I'm on my knees  
I promise I'll be good and I will never do it again  
I'm on my knees, I can't get over you  
All I need is one more chance

I was just playin' wit them girls, I was gonna get right  
back  
I was trippin' yo' love is where it's at  
I'm on my knees, Lord please show me some love  
And answer this player's prayer

Please, oh, and do it again  
Please, no, one more chance  
Get right back where it's at  
Show me some love and answer this player's prayer
