"Project Window"

[Intro:]

Girl you that I need a shawty sweet & ghetto no matter
if she's rockin reebok or stilleto
In my project window sampl [x2]

[Verse 1:]

Caddillac on chromed wheels ghetto dreams good
thrills summer nights & ice cream trucks
You remember when we fell in love 1st time back in the
day hide & go seek is what we play
Just me & you against the world cause your my ghetto
girl

[Chorus:]

Late at night I hold you tight by my project window
sampl
Me & you all through the night by my project window
sampl
Take your time relax your mind by my project window
sampl
Sending chills up & down your spine by my project
window sampl

[Verse 2:]

Such a drittlin rush just from kissing you while me &
you turned & tossed got me wishing you let your
Hair down by my window frame clothes are off as I take
control & show you who's boss cause baby we gone do
it all yeah

[Chorus:]

Late at night I hold you tight by my project window
sampl
Me & you all through the night by my project window
sampl
Take your time relax your mind by my project window
sampl
Sending chills up & down your spine by my project
window sampl

Take this relationship far it's how you excite your life by
you excited bout it girl I know I'm
Old enough to ball what a flyiest shawty u are
Take this relationship far it's how you excite your life by
you excited bout it girl I know I'm
Old enough to ball such a ghetto superstar yeah

[Chorus: x2]

Late at night I hold you tight by my project window
sampl
Me & you all through the night by my project window
sampl
Take your time relax your mind by my project window
sampl
Sending chills up & down your spine by my project
window sampl

[Outro:]

Girl you that I need a shawty sweet & ghetto no matter
if she's rockin reebok or stilleto
