I saw you in the street, late last week
I thought damn its been too long
Then I was shocked to see that
You were meeting some guy that I did not know
And the thought that came that I was running
I guess I should have seen it coming
And now I got thoughts all in my mind
Of somebody kissing you, and his lips ain't mine

[Hook]

So when I hear you got a man
And I see you hold his hand
I don't wanna believe my eyes
Cause I shoulda been
Treating you right
Shoulda been holding you tight
Shoulda been loving you better, babe.
And when you tell me that we're done
Cause he is the one
Girl, I feel like I died inside
Cause I shoulda been
Treating you right,
Shoulda been holding you tight
Shoulda been loving you better, babe!

[Verse 2]

Now you were home days
While I was gone nights
I thought I was getting over you hung me out to dry
And now, all the fellas be like that's the dude
And she ain't missin' what you, givin' he got paper
too
Now I can't believe you would leave like that
I was just hitting them girls, I was gon' get right back
When you left you took all the heart I had
I ain't gonna cry, but it's still all bad

[Hook]

So when I hear you got a man
And I see you hold his hand
I don't wanna believe my eyes
Cause I shoulda been
Treating you right
Shoulda been holding you tight
Shoulda been loving you better, babe.

And when you tell me that weâ€™™ re done
â€™Cause he is the one
Girl, I feel like I died inside
Cause I shoulda been
Treating you right,
Shoulda been holding you tight
Shoulda been loving you better, babe!

[Verse 3]

Girl, Iâ€™™ m â€™™ bout to lose it, I donâ€™™ t know what to
do
Iâ€™™ m feeling like Iâ€™™ m tortured, trying to act like it
ainâ€™™ t over
And the worst part about it baby
Is you donâ€™™ t even look my way!
Now, girl Iâ€™™ m going crazy, Iâ€™™ m about to catch a
case
When you send word through my friend
That you thinkin' bout moving in
I know itâ€™™ s wrong, but I donâ€™™ t wanna see
You being happy if it ainâ€™™ t here with me!

[Hook]

So when I hear you got a man
And I see you him hold his hand
I donâ€™™ t wanna believe my eyes
â€™Cause I shoulda been
Treating you right
Shoulda been holding you tight
Shoulda been loving you better, babe!
And when you tell me that weâ€™™ re done
â€™Cause he is the one
Girl, I feel like I died inside
Cause I shoulda been
Treating you right,
Shoulda been holding you tight
Shoulda been loving you better, babe!
So when I hear you got a man
And I see you him hold his hand
I donâ€™™ t wanna believe my eyes
â€™Cause I shoulda been
Treating you right
Shoulda been holding you tight
Shoulda been loving you better, baby!
And when you tell me that weâ€™™ re done
â€™Cause he is the one
Girl, I feel like I died inside
Cause I shoulda been
Treating you right,
Shoulda been holding you tight
Shoulda been loving you better, baby!
