[Chorus: Nivea]

Open up the door

Baby I'm knock knockin'

Cause I wanna take a ride in your love spaceship [x2]

[Lloyd:]

I'm gonna open up the door

And let your love inside

Got so much more in store baby

Do you want to ride

I could tell by the look in your eyes

That I'm turning you on

Come stay another night

I don't wanna be alone

And I know it may sound crazy

But you really got me gone

I just can't help it baby

I'm in the zone

You make me wanna buy your love

So you'll be all my own

Ring ring ring your phone

Girl can you come over

[Chorus: Nivea (Lloyd)]

Open up the door (Oh)

Baby I'm knock knockin (I'm knocking)

Cause I wanna take a ride in your love spaceship (come ride)

Open up the door (Oh)

Baby I'm knock knockin (I'm knocking, so let me in)

Cause I wanna take a ride in your love spaceship boy
(do you wanna ride)

[Lloyd:]

I wanna take you to the moon

Cause you're my shiny star

My spaceship goes soon

Ha! You don't need no car

Wanna be with you darling

You're always on my mind

Come over stop stalling

Ain't got a lot of time
Yes, I know it may sound crazy

But I wanna make you moan
Baby I'll satisfy you
Til your mind is strong
Do anything to try your love
Before you run on home
Ring Ring Ring your phone
Girl can you come over

[Chorus: Nivea (Lloyd)]
Open up the door (oh yeah)
Baby I'm knock knockin (I'm knocking, won't you let me
in)
Cause I wanna take a ride in your love spaceship
(wanna take a ride, yeah yeah, don't you wanna ride
with me girl)

Open up the door (oh)
Baby I'm knock knockin (I'm knocking, all in the end)
Cause I wanna take a ride in your love spaceship (in
your love spaceship yeah, know you wanna ride, let's
go!)

[Nivea:]
You're incredible
Take me to your love baby
Me to
You so crazy
Take me to your love baby
Really
Take me to your love baby
Let's go

[Chorus: Nivea (Lloyd)]
Open up the door
Baby I'm knock knockin (I'm knocking, so let me in, oh
baby)
Cause I wanna take a ride in your love spaceship (yeah
yeah, don't you wanna ride with me girl)

Open up the door (Oh)
Baby I'm knock knockin (I'm knocking, all in the end)
Cause I wanna take a ride in your love spaceship (in
your love spaceship, know you wanna ride, let's go)

[Nivea:]
Ohhhh I can't live
Ohhhh and your love yeah
