[Lloyd:]

Hey, oh yeah

[Verse 1:]

I can remember when I met you
You had all of my homies talkin' 'bout you
And I thought it be cool if I got at you
So we can spend a lil time, I can get to know you, tell
me ya name
I'm beginning to see the more we hang together
Babygirl I like you, 'cuz you're better
Than any average chick
That I was rollin' wit
I knew it was love at first sight

[Hook:]

I never met a girl like you before
I can count on you whenever I need to take it slow
How you be takin' me up, up and away we go
You got my eyes so low where they damn near closin'

[Chorus:]

Ey Hazel
I like you
Can't see myself without you
My sweet Hazel
'Cuz I think I'm in love, I'm in love
Ey Hazel
I like you
Can't see myself without you
My sweet Hazel
Girl I think I'm in love (I'm in love, I'm in love)

[Verse 2:]

There would be time people be tellin' me to let you go
But the bond I got with you is stronger than they even
know
And just to prove it to ya, girl you know I love you so
much
I hit the corner store for you and scrape the guts out a

dutch

It's like the things you say to me when I'm feelin' hurt
Ya pick me up when I go through it that's why i put ya
first

When everybody be always constantly stressed, a bit
worse

You the one that I come runnin' to to ease my nerves

[Hook:]

I never met a girl like you before
I can count on you whenever I need to take it slow
How you be takin' me up, up and away we go
You got my eyes so low where they damn near closin'

[Chorus:]

Ey Hazel
I like you
Can't see myself without you
My sweet Hazel
'Cuz I think I'm in love, I'm in love
Ey Hazel
I like you
Can't see myself without you
My sweet Hazel
Girl I think I'm in love (I'm in love, I'm in love)

[Lloyd:]

Girl
Come here
Lemme take a look at them purple highlights in ya hair
Hah, that's crazy
Ya know
Usually I'd share you with my homies but
I think I'ma keep you all to myself
Ya dig?
Yea

[Chorus:]

Ey Hazel
I like you
Can't see myself without you
My sweet Hazel
'Cuz I think I'm in love, I'm in love
Ey Hazel
I like you
Can't see myself without you
My sweet Hazel
Girl I think I'm in love (I'm in love, I'm in love)

[Chorus:]

Ey Hazel

I like you
Can't see myself without you
My sweet Hazel
'Cuz I think I'm in love, I'm in love
Ey Hazel
I like you
Can't see myself without you
My sweet Hazel
Girl I think I'm in love (I'm in love, I'm in love)
