Damn girl you're just so sexy, listen

Damn why you gotta be so fine
I just wanna take you home tonight
So I can work tha left, tha middle, tha right all night
Damn why you gotta be so fine
Girl, I just wanna get you home tonight
So I can work tha left, tha middle, tha right all night

Ay yo, ay yo, ay yo, ay yo, ay yo
Ay yo, ay yo, ay yo, ay yo, ay yo

You see tha way tha old school, drop drop drop
That's how her booty do when she, stop stop stop
And we can hit tha mall baby, pop pop pop, some tags
(Some tags baby, we can pop tags)

I know you hear me comin' baby, knock knock knock
Just let a playa in 'cause I got got got
Whateva you want, whateva you need
I'm runnin' out of words and all I can say is

Damn why you gotta be so fine
I just wanna take you home tonight
So I can work tha left, tha middle, tha right all night
Damn why you gotta be so fine
Girl, I just wanna get you home tonight
So I can work tha left, tha middle, tha right all night

Ay yo, ay yo, ay yo, ay yo, ay yo
Ay yo, ay yo, ay yo, ay yo, ay yo, listen

You make me wanna put it on lock lock lock
Throw away tha key close, shop shop shop

And any trick to win you got a lot lot lot, like I do
(I can make you run baby, money anytime)

Girl I'm kinda hopin'
That my pillow you'll be holdin' 'cause I got
Whateva you want whateva you need
I'm runnin' out of words and all I can say is

Damn why you gotta be so fine
I just wanna take you home tonight
So I can work tha left, tha middle, tha right all night
Damn why you gotta be so fine
Girl, I just wanna get you home tonight
So I can work tha left, tha middle, tha right all night

Ay yo, ay yo, ay yo, ay yo, ay yo
Ay yo, ay yo, ay yo, ay yo, ay yo

Don't be scared to give me a try
You stole my heart when I seen you walk by, oh
Open up your mind 'cause happiness can't be bought
And I'm just tryna buy some time, so you make me say

Damn why you gotta be so fine
I just wanna take you home tonight
So I can work tha left, tha middle, tha right all night
Damn why you gotta be so fine
Girl, I just wanna get you home tonight
So I can work tha left, tha middle, tha right all night

Ay yo, ay yo, ay yo, ay yo, ay yo
Ay yo, ay yo, ay yo, ay yo, ay yo
(I can make you feel, I can make you feel alright)
Ay yo, ay yo, ay yo, ay yo, ay yo
Ay yo, ay yo, ay yo, ay yo, ay yo
