Here we go  
This goes out to a very special girl  
Everybody has someone special  
And if you don't have anyone special, I feel sorry for  
you  
But for those that do, this is for you

This is for my baby  
This is for my girl  
She's my lady  
Yeah I love her  
Wouldn't trade her for another  
Good loving in this day and age is so hard to find  
So sick of being lonely  
I'm so proud to be able to say that she's all mine  
My one and only  
This is for the

The woman I was young  
I carved her name in a stone  
She'd have me sick to my stomach  
If she never came home  
But sometimes she can be real demanding  
But we've got an understanding  
She knows if ever i'm down  
Her smile will keep me happy  
Never felt another battle here with my pain  
That's why I know it's impossible to break the chain  
Cause she's giving me the toughest love

Talking about thicker than blood  
I know that she'll defend me for whatever's beating me  
up  
situations all of a sudden turn shady  
words alone sticks and stones they don't faze me  
Long as I got her by my side  
She'll be down to ride  
She ain't taking nothing from anybody  
Cause

This is for my baby  
This is for my girl

She's my lady  
Yeah I love her  
Wouldn't trade her for another  
Good loving in this day and age is so hard to find  
So sick of being lonely  
I'm so proud to be able to say that she's all mine  
My one and only  
This is for the

One that said that she will always stand by her man  
Giving him someone to count on to be there in advance  
And when the earth starts to quake, damn it vibrates  
We'll be going out together if it all falls down  
Even the times when my head feels like it's about to  
explode  
Knowing that I can count on her to carry the load  
I'll be like ohh what a feeling  
Cause she's the realest  
I wouldn't trade her cause I love my baby
