### "Want To"

*[Verse 1:]*

Straight from school, busy work, girl you've been bust  
all day finals are here,  
boss a jerk, and you need to take your stress away  
I got a remedy, as soon as you get free

*[Chorus:]*

Come see me I got dinner waiting and your favorite  
dvd's  
If u want to, we can make love all night long if you want  
to,  
baby we can just sit and talk whatever you wanna do,  
baby you know it's cool  
It don't matter just as long as I'm with you yeah

*[Verse 2:]*

Relax your mind your in good hands I'm here at your  
service  
girl turn off your phone cancel them plans baby be on  
your way

*[Chorus: x2]*

Come see me I got dinner waiting and your favorite  
dvd's  
If u want to, we can make love all night long if you want  
to,  
baby we can just sit and talk whatever you wanna do,  
baby you know it's cool  
It don't matter just as long as I'm with you yeah

*[Break:]*

If you want, if you want, if you want to we can make  
love or we can just talk whatever you want

*[Chorus: x2]*

Come see me I got dinner waiting and your favorite  
dvd's  
If u want to, we can make love all night long if you want  
to,  
baby we can just sit and talk whatever you wanna do,

baby you know it's cool  
It don't matter just as long as I'm with you yeah
