Forget about your man 'cause he can't do it like I do it
Shawty I got a plan, a special way to make you lose it
And I don't give a damn who sees us if we get caught
'Cause I've been waiting so, so long to break it off,
yeah

'Cause he don't know you like I know you, and that's for
sho'
Girl, he can't show you what I show you, and that's for
sho'
Why are you here if you don't want it, jump on it
I make your dreams come true, girl, it's up to you

'Cause you got me on the one tonight
So baby please don't play with me
Yeah, I know you gotta man in your life
No disrespect but that *** ain't me, I'm asking you

What you wanna do, what you wanna do
What you wanna do, wha-wha-what you wanna do
What you wanna do, what you wanna do
What you wanna do, wha-wha-what you wanna do

Girl, wanna see just how deep, your river flows
I gotta couple tricks in and up my sleeve, at this magic
show
Shh, don't speak 'cause I wanna put some work in
Enough with all this flirting, one thing is for certain

Girl, he don't know you like I know you, and that's for
sho'
And he can't show you what I show you, and that's for
sho'
Why are you here if you don't want it, jump on it
I make your dreams come true, girl it's up to you

'Cause you got me on the one tonight
So baby please don't play with me
Yeah, I know you gotta man in your life
No disrespect but that *** ain't me, I'm asking you

What you wanna do, what you wanna do

What you wanna do, wha-wha-what you wanna do
What you wanna do, what you wanna do
What you wanna do, wha-wha-what you wanna do

I'm ready, baby I'm ready for love
Right now you know what it is
Let me see, let me see, let me see that
Let me see, let me see, let me see that
Let me see, let me see, let me see that
Let me see, let me see, let me see that

'Cause you got me on the one tonight
So baby please don't play with me
Yeah, I know you gotta man in your life
No disrespect but that *** ain't me, I'm asking you

What you wanna do, what you wanna do
What you wanna do, wha-wha-what you wanna do
What you wanna do, what you wanna do
What you wanna do, wha-wha-what you wanna do

It's all on you girl, what ever you wanna do girl
Don't play no games with me, oh
