Hello
Naw I'll Be There In A Minute
But I Got Something To Do
What
You Should Know There's One Main Thing And Its

[Chorus:]
When I Hustle
Baby I Be Thinkin Of U
Always On My Grind
Spending Alot Of Time
Like We Use To Do
Now I Be Out In These Streets
Cause Baby We Gotta Eat And U Know Thats The Truth
When Im Out On My Hustle I'm Comin Home To U

[Verse 1:]
Yeah I'm A Hustler
But Baby Girl I Wanna ***** With Her
U The Type To Make A Thug Nigga Turn Love With Her
Mami Let Me Tell U
I Aint Nothin Like These Other Scrubs

So If Any Brotha Tell U He Could Better He Lied
Look I Aint Nelly
But I Could Make U Hollae.I
When We F.U.C.K.I.N.G In The Tree Top

But U Should Know There One Main Thing And Thats
