Life aint sweet
Damn shol aint peachyjus keep ya head up
(oh babe)

[verse 1:]

As I dig deep inside my soul
Look into my past
And all that I had through these glass windows
I find myself wanderin all alone
About the ways that yesterday
Changed the path I chose
Oh

[Chorus:]

Aint no tellin where I'd be
Dead or in the penitentiary
From shootouts wit my enemy
Squeeze until my clips empty
But would they give sin to me
By the hands that was lent to me
Know that it was meant to be
To take over this industry

[Lloyd talkin:]

Yea
Its goin down
Nomore gettin left behind
Its time to shine
Mind on my grind
Look

[verse 2:]

And only the Lord knows
If I dont succeed
Then my family's left out in the cold
So I gotta play my cards
Cause if I fold
No supersta

Expensive cars
Or designer clothes
Oh

[chorus]

[Lloyd talkin:]

Never feelin bad
Situations gettin sad
Gotta move on
Sun gone shine
Jus wait til mornin
Yea
Outta all the struggles

All the pain
All the hurt
Its alright
Gotta be strong
Time moves on
No matter what
When situations get bad
When times get sad
Gotta keep yo mind up
Gotta keep ya grind up
From 99
Never let it behind

[verse 3:]

Just gotta stay ahead of the race
Keep up my pace
It wont be long
When a feelinz all I can take
I see my heartbreak
Just makes me strong
No matter what nobdy say
I got rhymes to make
Im reachin for the throne
Cause I know that my yesterday
Been the best of dayz
Just take it slow

[Lloyd talkin:]

See
I know
N though Im young
Money dont grow on trees
Im only 18

But I done seen some shit
You know
Yea I run wild
Live the fast lane lifestyle
I cant help ima ghetto child
Its all good
Now I see
I'm here now
Reach 8 feet
You know
Aint gotta smell that piss in the project halls
I gotta new place to stay now nigga
Yea
But uh
Ima still focus
In the hood
Im comin back
Takin all yall niggaz wit me
Gotta do this together
