[Breakdown 1:]

I know you ain't use to a country boy like me,  
But what you said would not replace  
Shawty you will see.  
There's no place in the world that's quite like the dirty  
south.  
So give me your information so we can work it out.  
Dirty South  
Work It Out

[Chorus x2]

[Breakdown 2:]  
See shawty got flavor like a peach lifesaver  
Won't you come down to the studio later?  
Kyle can rhyme keep the beat tight, we can chill  
underneath the street light.  
She's from the south so she's fine, and classy  
Skin is smooth and she's never ashy  
Roll her dro, gotcha fresh and clean and In the Coupe  
Deville gangsta leanin'.
