Yeah nigga fuckin' back hunger for more  
Tony's home yo Banks I told these niggas man  
Y'all done fucked up now  
Here we go

Ain't no click like the one I'm with  
If the drama gets thick it's the guns I get  
G unit niggas is runnin' this shit  
If you ain't reppin' where you from this is

We gettin' doe everywhere we go  
And it's killin' 'em slow just to hear me blow  
G unit niggas is runnin' this shit  
If you ain't reppin' where you from sit down

By now I know you done seen me  
On your stadium or TV with three eighty on the E.V  
I skeet babies on your breezy and I ain't stoppin'  
Only Jake the Jacob could freeze me

Leaves me and it's bye, bye gone  
We got guns like Popeye arms  
I put a ring on their finger but the rats still askin'  
'Coz there's one in all they mind I'm the Rap Phil  
Jackson and

I built a rep for murderin' every Whoo Kid  
Kayslay and Big Mike admit it the kid tight  
And you ain't even put up a fight  
So it's back to da amateurs wrapped in ya sandwiches

I'm hot now so the rats wanna stand with us  
They hop in the van with us and clap on cameras  
I hit the clubs now I'm back tourin' Canadas  
Amongst weed smokers and crap floor gamblers

Ain't no click like the one I'm with  
If the drama gets thick it's the guns I get  
G unit niggas is runnin' this shit  
If you ain't reppin' where you from this is

We gettin' doe everywhere we go

And it's killin' 'em slow just to hear me blow  
G unit niggas is runnin' this shit  
If you ain't reppin' where you from sit down

Make sure the birds don't get brought to 'em  
I watched Kobe go from the basketball court to the  
courtroom  
Go ahead try to do me harm soldier  
You'll be in a black bag like grass out the lawnmower

And I'll be damn if I co-sign a old snitch  
That was gang bangin' when jaws was a goldfish  
I'm the name they all screamin' on the street  
For bullyin' the bassline and leanin' on the beat

I'm well known now so you see me on the creeps  
Schemin' on a freak fan blade leanin' on a jeep  
Ain't walkin' with the fire so if you say Banks in ya verse  
Then you better be talkin' bout Tyra

From PA to LA, Atlanta to Texas  
Nashville to Memphis my buzz is tremendous  
I pass through the city slow but the hit the gas on the  
silly hoe  
Dumps like ass in my video

Ain't no click like the one I'm with  
If the drama gets thick it's the guns I get  
G unit niggas is runnin' this shit  
If you ain't reppin' where you from this is

We gettin' doe everywhere we go  
And it's killin' 'em slow just to hear me blow  
G unit niggas is runnin' this shit  
If you ain't reppin' where you from sit down

A'yo, uno, duexo, troiso, quateo  
My clique eat like the 12 holy apostles  
And bust down models in flushed out tahoes  
Jewels froze look like we hit the lotto

P89 my clique filled wit hollows  
Stun in the club get hit with yellow bottles  
Don't speak ma if your neck don't swallow  
'Coz 50 push Bentleys and Dre push Diablos

That Eminem money got cash in my eskro  
Screws Mcduck say swimmin' in my cash flow  
Yay rappers cracked man I got the best blow  
Best flow Banks put me in the booth let's go

Think like castro the games in a lasso  
Don't jump in the Benz without steps on the petro  
God gave me this flow so I am special  
And 16 bars nigga I'm finished Finito

Ain't no click like the one I'm with  
If the drama gets thick it's the guns I get  
G unit niggas is runnin' this shit  
If you ain't reppin' where you from this is

We gettin' doe everywhere we go  
And it's killin' 'em slow just to hear me blow  
G unit niggas is runnin' this shit  
If you ain't reppin' where you from sit down

We told y'all muthafuckaz man  
Y'all niggaz look like us and smell like us  
But you're not us man  
Lloyd Banks, hunger for fore we back nigga  
50 the general Young dezzy Buck  
Game the rap game is ours nigga  
Hunger for more Rider music nigga  
This for them Gangsta them generals them comrades  
This is Rida music
