(freestyle Dirty:)

Not clear enough.... please add in

(verse 1:)

I wonder some times
i wondered if I was wrong
Tryna do right by you got me here
Now all I am is alone

Cause those eyes
And those hips
And that (a**)
dont compare at all (no)
And at best, all they do is distract me
But now, deep down, when I face it

(chorus:)

All i want is you (oooooh)
All i want is you...now
All i want is you now
now that your gone, gone, gone

(verse 2:)

Cause being your friend was killing me softly
Hear voices
Wondering where I went wrong
It was my fault, in the wrong time,
I wonder so often, regret gets exhausting

(chorus:)

Cause all I
dont compare at all
I bet all they do is distract me but now
deep down when i face it

All i want is you (oooooh)
All i want is you...now
All i want is you now (sugar)
now that your gone, gone, gone

All i want is you (oooooh)
All i want is you...now

All i want is you now (baby)
now that your gone, gone, gone
, gone, gone

(Bridge:)
Cause they don't smile
Or smell like you
No they don't make me laugh
Or even cook like you
And they don't photograph
Nah, they don't sex like you
Let's face it, I can't replace it
That's why all I want is you now...

(freestyle:)
i hit the club when you left me thinking that i could heal
i try to celebrate my independence day will smith
Baby girl who I'm kidding
Still sick, real shit
All my new bitches seem to get old real quick
And could it be you everything these plain bitches
couldn't be
Is it a sign from the Lord that I shouldn't be
Lost in the Player way sorta get old to me
Got me on layaway, girl you gotta a hold on me
I say I'm wrong, you say come again
Damn, said I was wrong look don't rub it in
I got a lot on my mind
Got a flock full of dimes
Like a line full of hoes,
Look how they coming in
Just saying
You don't wanna have me then somebody will
I'm playing
Weight on my chest like I body build
I'm praying
You ain't content with trying to do your thang
Hey come back baby boomerang

(chorus:)
All i want is you (oooooh)
All i want is you...now
All i want is you now (sugar)
now that your gone, gone, gone
now that your gone, gone, gone
, gone, gone
