[50 Cent talking to girl]

No I aint signing shit

[Girl]

Nigga you think you all that, you a grimy nigga

[50 Cent]

Yea Yea

[Chorus- 50 Cent (girl)]x2

Bitch get off me (don't do it like that)

Back up off me bitch (don't do it like that)

I talk like a pimp but i walk like a Mack

Keep fuckin with birds just use me to say

[Verse- Prodigy]

Im the club doing my thing, i had a few drinks

Please don't look at me like that, i might think

You some more drama, coming back for more

Don't make me fuck around and shoot the wrong the
whore

Im lookin for a star war, celebrity bitch

And we can ride in that G and we can ride in my 2 seat
shit

Bitch you a regular bitch

I got rich and different woman on my dick

Im at fashion shows, with my gangsta clothes

And you can't get in without a tuxedo

Im at movie premiers, Im at private parties

Gettin bent having a ball with all of my people

That's right we dirty, straight filthy hoe

In other words trick we got millions to blow

So if you Charlize Theron or better

Then we can hit the jewlery store together, if not

[Chorus- 50 Cent (girl)]x2

Bitch get off me (don't do it like that)

Back up off me bitch (don't do it like that)

I talk like a pimp but i walk like a Mack

Keep fuckin with girls just use me to say

[Verse- Lloyd Banks]

Bitch back up off me if you aint no worker

You aint got to run we pimpin it aint gonna hurt ya

There's a lot of broken bones when i roam
Any girl that can groan on the fone get the tone
And im a Mack like ?? and them
Yea you be fuckin them but you be payin them
Conversatin on a date with them
I aint for the yip yap, fuck all the chit chat
If you aint bendin over in the Rover then get back
If you leave her 'round me then im gonn' get her
Blue Hef, 2 time EV and award winner
And if i roll round long enough from the floor winner
She'll be in the restaraunt buying us all dinner
I need a hotter bitch, Louis and Prada bitch
That plays a role 'cause she knows i got a bitch
And if you heard of me then you know what it's all
about
Probably somewhere in the back of the club yellin out

[Chorus- 50 Cent (girl)]x2
Bitch get off me (don't do it like that)
Back up off me bitch (don't do it like that)
I talk like a pimp but i walk like a Mack
Keep fuckin with birds just use me to say
