Ugh, I call it how I see it  
And I see it out the beamer  
With my metal Tag along picture me without the nina  
I'm a thousand Times cleaner  
And my bitch thick as trina  
But my grip is my main girl don't shit come between  
her  
Man I floss like the sortes  
Top 5 in the forty  
I drive by with your shorty like haha record me  
You saw me, you saw a spaceship  
That cranberry n grey shit  
My challenger a sharpy who the fuck you tryna race  
with  
Face it you can't keep up the pace with  
The ice beef up your bracelet  
He's nice he loves the hatred  
That 1998 shit  
That brightning bright as day shit  
That I just got a K shit  
That ya'll just better pray shit  
Jackpot domino my word play fanominal  
Kay, clue, and drama know  
I'm on the rap honor roll  
Riding with the lama though  
These jack boys robbing so  
The hood respect violence I'll smoke you on my mama  
bro  
I'm layed back comfortbly  
None these niggas could fuck with me  
Actually some these niggas my sons I got custody  
Misery loves company  
But all my money come to me  
Keep that on the humbaly  
You don't believe come and see  
Niggas don't fucking with him they fuck with me  
Semi auto holo flow who the fuck stopping me  
I start the car without the key  
I got the key without my L  
The only L I got, got kush in it don't even smell  
One monkey don't stop the show if you don't eat I don't

starve  
I'm drunk and I'm popping mo' I bet a g I'll ma-nage  
Catch me in foreign cars  
9m entourage  
Louie v shoe shopping 9-10 boxes god  
Niggas got bills and should'nteven have air  
Bitch niggas can't breathe bob weave air  
Same scheme different year  
Lames bleed disappear  
Aim squeeze hit his ear  
Brain dead stiff a chair yea!

Ugh  
Southside  
It's a 2g thing  
P.L.K  
A.K.A.
