[Intro:]

I Hate Gossip

And I Don't Walk Around Looking For It, You Know?

But, Yesterday It Seem To Just Wonder Around Till It
Found Me

You Know Like Gossip Found Me (Found Me)

[Chorus: Lloyd Banks]

Uh. Yeah Yeah

I Like The Way That Sounds

Na Na Na No

Yeah Nigga Do You Got A Death Wish

It's Comin Out Your Mouth Like The Ass Gon' Get You

Laid Out So Respect This

Tuck Your Necklace

You Fuck Around And Get Found Cause

There's No Love No [?]

No Luck When Your Rolled Up

You'll Be Laid Down

Blood On The Ground

Yeah You Run Like A Bitch

When Your Boys Ain't Around

[Verse 1:]

If Lately You've Been Poppin Shit

Then You Should Press Skip

Cause this is why I flip

You're now part of a hit you dig

Since back then gettin props was a thing to do

So everybody want to box with the kangaroo

Like fatboy and the locks just to name a few

You told the story to the cops when they came to you (I
know)

Niggas split the green rock so I changed to blue

Lock box and the drops and the rangers too

I know your wife don't make me piper and

Break up a happy home cause she thinks I like her

These niggas been around since Biggie and ain't blow
yet

Damn how many chances you think you gon' get

Cause I remeber when the suits was shiny

Now they on the fatigue booths and grime

My backs to the wind and the troops behind me
And if I get jiggy the suits Armani

[Chorus:]

Nigga Do You Got A Death Wish
It's Comin Out Your Mouth Like The Ass Gon' Get You
Laid Out
So Respect This
Tuck Your Necklace
You Fuck Around And Get Found
Cause there's No Love
No Luck When Your Rolled Up
You'll Be Laid Down
Blood On The Ground
You Run Like A Bitch When Your Boys Ain't Around

[Verse 2:]

When you're thinking of city you think about the Unit
The team some of the realest niggas to do it
The drama don't move so I call truce
I'd wrather snuff ya try to knock an eye ball loose
Why don't you save me the trouble get real bent
Slip on the steps and break your own fuckin neck
These are shocking words from a punk ass nigga
Tell me to tell 50 what's up ass nigga
Got the hunger for more in this truck ass nigga
Shorts so they used to take his bus pass nigga
I would send him to find ya high off the ganja
Turn the marriott into hotel Rwanda
I could tell that there was niggas that used to smack
you
Cause we don't ask why, we ask who
I done sparrin it's over I'm through
Only reason you don't like it is cause it's about you

[Chorus:]

Nigga Do You Got A Death Wish
It's Comin Out Your Mouth Like The Ass Gon' Get You
Laid Out
So Respect This
Tuck Your Necklace
You Fuck Around And Get Found
Cause there's No Love
No Luck When Your Rolled Up
You'll Be Laid Down
Blood On The Ground
You Run Like A Bitch When Your Boys Ain't Around
