[Do It For This Block Lyrics On]
Hit the side and why would I trust a tramp don't
Won't no stitches by him skip the sucker shit still
Screamin fuck a bitch they coming by the curnal and
I pop em for the fuck of it what's up with it you can't
Fit my shoe it's a custom fit you know what I'm
accustomed
To car dealer customer red carpet company loui v

comforter
Shorty with a whole lotta junk in the trunk with her
The eyes don't lie and I can see a sign through shades
Behind the tint of the s and ya'll behind some greys
Monopolized new phase your profit rise you save don't
go
Splurgen it ain't been off the block 2 days go get a
glock
N 2 kays no laughin if it's fuck me it's fuck you more
I'm old fashioned

It ain't for the awards or the bitch ass props
I do it for this block I do it for this block
I do it for this
Ain't no rules in hip hop get rude get shot
I do it for this block I do it for his block
I do it for this block

[talking:]
This for the hood
It's all good

Get at me
Ugh
