it's terminate on sight the burner lay all night beside of
me its logically the only way thats right i give you all i
got some of my homies gave dey life the misguided
die while the children pay the price i always keep my
knife so keep ur weak advice u probably workin wit the
people a horrible secret life how u niggas sleep at night
you should have insomnia cuz dey aint teach you right
if you jus left laguardia be happy you got outta here
cuz i'll have niggas follow you get out da rival chair
fuck your pride keep god n ur bible near i swear my
heart colder den Chicago air (yea) round here
marcielago stare im feelin myself give bitches the i
dont care honestly i dont got a fear except the one
above here comes a violent yea

(chorus)

Scared niggas dont come around its on when i see u i
wouldn't wanna be you betta home get down blocks full
of evil fuck around n eat you nigga swim or drown no
one could help you wit the cards they delt you dont
make a sound its to late to save you i'll D.O.A.U

(verse 2)

when you young n you flawed up of course they gonna
hate ya be careful cuz these nigga will cross you like
rafer
