[Lloyd Banks - Chorus]

My blood rushin off 151 proof
high speed blowing weed out the sunroof
my car got navigation if u want too
later I can come thru, and break it down till I touch that
spot
u should hop up on it, baby my performance,
will make u gimme everything u got
I'm fresh of the corner
shorty let me warn ya
Imma put it on ya till you drop

[Lloyd Banks - Verse 1]

I'm fresh off the block, what it do baby?
its a new year and you can be my new lady
I got a reputation for representing
if sex was a weapon, I'ma fully loaded Heckler,
steppin, flossin, jewelry game awesome, frostin,
brighter then the lights on a Porcshe and they hatin'
but I dont pay 'em no mind,
cuz what I got could turn a pig to a pork rind
they probably mad cuz they rentin and I bought mine,
and the truck sittin' higher then new york crime
the fans know whats up, the shortys show me love
they dont need an upper Im they one and only drug

[Lloyd Banks - Chorus]

My blood rushin off 151 proof
high speed blowing weed out the sunroof
my car got navigation if u want too
later I can come thru, and break it down till I touch that
spot
u should hop up on it, baby my performance,
will make u gimme everything u got
I'm fresh of the corner
shorty let me warn ya
Imma put it on ya till you drop

[Lloyd Banks - Verse 2]

Babygirl u comin or not
if this was alcohol it'd be 100 a shot

ever since the parkin' lot
I've been wantin to pop and if you knew my catalog
all the frontin would stop
I got us dyin out the rock, with our own lil spot
she's like a porno star, and shes on that cock
I got a senior out in college and a dome thats hot
she got energy I got night and morn' that twat,
like it or not, I'm not fuckin with ya'll,
I'll be damned to participate in somethin' this small
its really nothin to ball
I got a couple to call,
three cousins from the bean and im f-ckin 'em all

[Lloyd Banks - Chorus]

My blood rushin off 151 proof
high speed blowing weed out the sunroof
my car got navigation if u want too
later I can come thru, and break it down till I touch that
spot
u should hop up on it, baby my performance,
will make u gimme everything u got
I'im fresh of the corner
shorty let me warn ya
Imma put it on ya till you drop
