[Lloyd Banks:]

Its Blue Hefner

Gang Green

Ya'll can catch me on the Anger Management Tour

You know where the big money at

[Verse 1: Lloyd Banks]

I ain't the iciest nigga livin' but I'm a few stones closer

Hoppin' out my blue foam Rover

Feed my pit flock down on the two tone sofa

(BRING IT BACK)

[Lloyd Banks:]

Its Blue Hefner

Gang Green

Ya'll can catch me on the Anger Management Tour

You know where the big money at

[Verse 1: Lloyd Banks]

I ain't the iciest nigga livin' but I'm a few stones closer

Hoppin' out my blue foam Rover

Feed my pit flock down on the two tone sofa

Decock my two tone toaster

I'm cakin' up

I can get a whip a week

And my momma ain't gotta lift her feet

She in the Jeep with a Swisha Sweet

I'm on the beach with a stripper freak

After the weed and the liquour meet

She will be lickin' me

And I don't trip won't freeze her with Tiffany

So if shes iced out its some gees she ain't get from me

My hands on your lady and

The only reason I ain't go to SummerJam is cause I'm

banned from the stadium

Ten room mansion my lands a paladium

Creep in my yard its a can in your cranium

I'm famous and still ridin' around with a trigger

I'm a certified, bonafide entrepenigga
