This is a j-jack track man
I cant sit back and let
this women slip away,away

Cause i got my eye on you,you
i see ya' making over ya shoulder
let me make my way over

Exuse me miss lady,how u doin
You're body lookin right
You're type i like
and im pursuin

Can i get a little closer
so i can get to know
and exchange names and thangs
Before the night is over

All i really want is
for you to back it up
go on and put your weight on it

Cause it's all right
do what ya wanna make
me belive ya oh i

Jeans tight
High heels

you make me feel

Lips glossed
Teeth white

let me bite

Spend the night

when we can do it
what you like

Feelin right you
smellin good lets
get this understood

Is there something
You're not tellin me

of frankie beverly

Cause the way u move
the way u groove
im the fan and Your
the celebrity

She doin freaky

me kinked up

Like fabo i got play
dough let me show
you street love

All i really want is
for you to back it up
go on and put your weight on it

Cause it's all right
do what ya wanna make
me belive ya oh i
