"Goodbye"

Visit "[Goodbye](#)" on MotoLyrics.com

Feel motherfucking K, footsteps like torpedoes when I
come to play
â€¦ her if you feel low get the fuck away, hey
I dream about no â€¦ every fucking day
Feelâ€¦ â€¦ when you cut the way, cut the shit nigger
â€¦
Smoking demon means â€¦ that she has
â€¦ parking lot I bust our asses slut
I tapped the â€¦ I spark a lot helps but that's my vibe
Stealing giving my heart to know bitch â€¦
South side â€¦ hard as shit hitting, my eyes â€¦
Crumble is what you get slippin,
Dear hater, who's talking here you love me (?)â€¦
Get this motherfucking money pop â€¦ and do my
doggy
This â€¦ wants â€¦ rugby
Blue nose with the flows watch how you love me
Leave me up in popping â€¦ I'm always popping up
Me and â€¦. Hopping up
We chop the truck is high on so we park it up
Call my niggers â€¦ got I know we got some birds to â€¦
up

No women no crime â€¦ that's why I'm coming from
Rhyme till we die, that â€¦
Know the one we got back to my number â€¦

â€¦ mind , stop me â€¦ goodbye
Goodbye, goodbye
No women no money, get by

Little fingers â€¦
Now let's get high
I hope this fire gets â€¦, gets too big
Niggers tryin to say it change wish I did
If I did I wouldn't be getting through what I'm going too
You know when I pop when no one knew
Get over, affect them over you
The more sins the radio, the more fellatio
My wife's â€¦ crazy is like the â€¦ she shows
I got the â€¦ brick and phase me flow (?)

My mind's going 1000 miles per hour
slow
Bring out 1000
My grey sounds kinda ... like
Fake niggers the real ones
get hit
You do the good that will come

No women no crime that's why I'm coming from
Rhyme till we die, that
Know the one we got back to my number
mind , stop me goodbye
goodbye

Little fingers
Now let's get high
