Lloyd Banks Chorus-

They know me round here, they call me Iceman
I ain't your friend boy, i fuck your wife man
Look at my left, now look at my right hand
Everytime i move it looks like a strike of lightnin'
My name's Banks, but you can call me igloo
There's white rocks on my neck and my wris' blue
So don't trip, 'cause you know i got my pistol
You'll be surprised of the doors that it gets through

Lloyd Banks Verse-

Yeah..
Louis introduced me to jewelry, now i'm lovin' it
Tell Jacob to shine it so good, them hoes love this shit
Diamond after diamond, and i climbed up out the
bottom
So holla if it's a problem i got 'um just like you got 'um
I'm stoppin', the grillin' 'cause my whip can buy a
skyscraper
Roll down the window stick my hand out, Hi Haterrr...
I'm on the way to L.A, i see you guys later
Y'all be here when i get back, ain't no time to chit-chat
Now all i do is sit back, hop in the plane and sip Yak
Hop in the Range and with that, came in this game with
this crap
You say my name you get smacked, right in the brain
with the gat
Know who you playin' with black, then holla back

Lloyd Banks Chorus-

They know me round here, they call me Iceman
I ain't your friend boy, i fuck your wife man
Look at my left, now look at my right hand

Everytime i move it looks like a strike of lightnin'
My name's Banks, but you can call me igloo
There's white rocks on my neck and my wris' blue
So don't trip, 'cause you know i got my pistol
You'll be surprised of the doors that it gets through

Young Buck Verse-

My name is Buck, but you can call me icy
I keep spillin' Crystal on my white tee
Don't give a fuck, bitch you ain't gotta like me
I pop my trunk and have you runnin' in your Nike's
Look what i just bought, this white mink i got it in New
York
And this white linki put it on and walk right out the store
Wheres my car keys, what am i gon' drive
My Phantom got the steerin' wheel on the wrong side
Pocket full of cash, Ferrari's with the drive out tags
Them hoes fallen off, let me stop and get some cash
Liberachi, the cops watch me
I'm ice-skatin' like a nigga playin' hockey

Lloyd Banks Chorus-

Yeah.. Yeah..

They know me round here, they call me Iceman
I ain't your friend boy, i fuck your wife man
Look at my left, now look at my right hand
Everytime i move it looks like a strike of lightnin'
My name's Banks, but you can call me igloo
There's white rocks on my neck and my wris' blue
So don't trip, 'cause you know i got my pistol
You'll be surprised of the doors that it gets through

8Ball Verse-

Canary yellow princess cut, rocks when i smile
Fat boy, kept it greedy since i was a chubby child
Look at me now, hash rocked up, wris' watch rocked up
When i put my hand up to my mouth and hit that sticky
stuff
The light hit the ice on my eight-way piece
In the streets, i'm a G, on the mic, i'm a beast
Keep a bitch, on her knees, nigga please, i'm a pimp
Purse first, ass last, i'm a shark, you a shrimp
7 deuce, Chevrolet, rims taller than my son
Gun on the scene with a extra clip 'cause i ain't finna
run
In my brand new shell-toe, three stripe, all white
In other words, out my way, with that shit you gon' lose
your life

Lloyd Banks Chorus-

Yeah.. Yeah..

They know me round here, they call me Iceman
I ain't your friend boy, i fuck your wife man
Look at my left, now look at my right hand
Everytime i move it looks like a strike of lightnin'
My name's Banks, but you can call me igloo
There's white rocks on my neck and my wris' blue
So don't trip, 'cause you know i got my pistol
You'll be surprised of the doors that it gets through

Scarface Verse-

What the fuck are they yellin', dope man
Anybody killin' in the hood, fuck your homeboy sellin'
I've got a problem with him, if i can't touch it
Then he can't slang it, in these streets it dangerous
Twenty niggaz pull up in cargo vans
Palms sweaty, icky's out with their masks on man
Ha, i gave 'um the orders and that's all bad
Bought it to floss and flashed it and got his murk ass
smashed
The iceman is in the buildin' chillin'
Big game mutton, and this lame's stuntin'
Got in the Dayton's it's deeper than a description
His sleepin' i'm on the mission to beat him in my
position, ha

Lloyd Banks Chorus-

Yeah.. Yeah..

They know me round here, they call me Iceman
I ain't your friend boy, i fuck your wife man
Look at my left, now look at my right hand

There's white rocks on my neck and my wris' blue
So don't trip, 'cause you know i got my pistol
You'll be surprised of the doors that it gets through
