Whooo

Yea nigga ain't nothin changed G-units the  
motherfuckin gang Yayo these niggas thought I was  
over, like like a nigga fell off or something like like I  
don't get paid for this like like is you motherfuckin  
stupid

Yea I'm a show you niggas how to stack,  
I'm cakin I get rid of you niggas by the pack,  
And I'd hate to come off like a sibiliminal on a track,  
With the police listenin yea they watch us like that,  
So I stay on my one and twos even watch my numbers  
move,

Why you think we in running shoes I ain't like them  
other dudes,

I'm from queens where fathers leave in vile,  
And daughters havin babies cause they in style,  
We ain't have shit that's why don't smile,  
Neighborhoods fucked up that's why we all wild,  
Gutter just blew trial and L got 7 left,

So I'm a stunt like hell,

So I'm at heaven's steps,

And 7 vest hammer proof vest in the sket,  
Niggas watchin my brain cause they ain't make nothin  
yet,

I gotta little thin card when I go shop I swipe it and then  
cop then its right back to the block,

Gotta swallow your pride hide and ask him to stop,

Got the vision of Rakim and the passion of Pac,

I'll put 2 in a goon they'll handle triggers everyday,

And they all yellow bucks,

Like the niggas in a grave ay blowing a O a day blowing  
the dro away,

These niggas is little kids go in the stow and play,

I get a girl a day, take all your fun away,

So if you comin to beef bring a loaded K

Yea ya niggas know what it is man ain't shit changed  
man ya forgot ya can't challenge me or something you  
bum ass niggas better stay as far away from me as  
possible man I'm on that new shit on that bullshit man  
straight up man fuck all the rap talk nigga you won't

catch me at the motherfuckin red I'm on a green carpet  
nigga
