Lloyd Banks - M.B.A.M.

(Chorus)

Please, whenever you see me, see me up clean, rollin  
niggas, niggas go to sleep at 16, murdered over  
nothin, don't let nothin come between, anything i stand  
for, my kingdom my team  
they hating breaking them up, but it don't break me,  
bang for a bang, whatever its gon' be, niggas sell  
dreams, aint always how it seems, whichever way it  
leans, money by any means

(Verse One)

You stunt in the same spot, you bank stop, man im  
eating like a fat nigga, your weight drop  
on my weed do different things, space pops, show the  
respect you get at kings, one take shots  
Thank god for the liquor store, a fifth or more, am a  
different kinda nigga boy, forget the law,  
only one dude search the truck, or rip the floor, find  
something word pinnin on me, submit the  
this is 2k word play, the harsh realities of where me  
and my son stay, the technacalities'll bring him back  
one day  
theres fatalities that don't move the dumb way, cards  
flat, man i come from where its hard at, society made  
my heart black, arm spat,  
i aint your guardian god, you can start black, i can you  
watchin the phone wire an your cars tapped, watch how  
you talk back

(Chorus)

Please, whenever you see me, see me up clean, rollin  
niggas, niggas go to sleep at 16, murdered over  
nothin, don't let nothin come between, anything i stand  
for, my kingdom my team  
they hating breaking them up, but it don't break me,  
bang for a bang, whatever its gon' be, niggas sell  
dreams, aint always how it seems, whichever way it  
leans, money by any means

(Verse two)

Yeah, this is not hip-hop this is hipnosis, psychosis, new  
yorks bosses, go crosses, don't cross us, punk  
summersault corpses, martini bombs through your  
office uh,  
aint nobody stopping me they hatin enough, my flow is  
one big gun waitin to bust, they don't bring shit in the  
game, they take it from us, i got millionaire neighbours  
still makin a fuss,  
i can't even give a beat down, they want cheese now,  
therefore i gotta keep my lawyer on speed dial, tops ?  
my shell'll hit 200, titanium llama you can get it if you  
want it, i can feel it in my stomach,  
i got an extra sense, an i've been benefiting from it, my  
flow is off the bench, an my whole album blunted, don't  
yank it for that, i'm a natural born baller if i showed up i  
stunt it.

Please, whenever you see me, see me up clean, rollin  
niggas, niggas go to sleep at 16, murdered over  
nothin, don't let nothin come between, anything i stand  
for, my kingdom my team  
they hating breaking them up, but it don't break me,  
bang for a bang, whatever its gon' be, niggas sell  
dreams, aint always how it seems, whichever way it  
leans, money by any means

(Outro)

Money... by any means.. necessary..

I need money... by any means... necessary.. yeah

Gone..
