Spending in this... like I am...
I am a bad... long shit
What else can take
This is my mother fucker year dog
New niggers gonna have to wait
Bad bitches and actresses a bachelor faith
... cause they match the plates
Banks they can move boy you are blocking like winky...
... shorty you ain't thinking how I am thinking you ain't
thinking right
Picture me summer time... pretty down with the...
Different women day and night but I am still alone
... two doors... half reassure... silicon
That girl ain't shit... in the car with a nigger home
... counting so much money... I am gonna trip to the
movies...
