[Verse 1: Lloyd Banks]

By now I know you done seen me/
On your stadium or TV with three eighty on the EV
I skeet babies on your breezy/
And I aint stoppin Only Jacob the jeweler ca-freeze me
Leaves me and it's bye bye gone/
We got guns like Pop-eye arms
I put a ring on their finger But the rats still askin/
Cause there's one in all they mind Im the Rap Phil
Jackson
I built a rep for murderin every Whoo Kid, Kayslay and
Big Mike/
Admit it the kid tight, And you aint even put up a fight
So it's back to da amatures, Wrapped in ya
sandwiches/
I'm hot now so the rats wanna stand with us

They hop in the van with us and clap on cameras/
I hit the clubs now I'm back tourin Canada
Amongst weed smokers, and crap floor gamblers/

[Chorus]

[Verse 2:Jae-Hoffa]

I was told at a young age, to go let the gunz blaze/
And don't believe the hype and be the one the front
page/
My name Jae-Hoffa and i know shit/
When i drop, you gon' feel it like a rhino hit/
Alotta dudes got mouths like they armed witta pistol/
Til they see da burna in hand, arm out the window/
Quit actin like my wrist don't glow
,cause my rocks is yellow like it's winter and i pissed on
snow/
Dudes like to underestimate til they get a tech in face/
And wanna be witnesses when a nigga get a weapon
case/
Album bout to drom so baby do-da-date/you ca-call me
R.kelly i'll spray you in da face/
Talkin bout you got a benz when you don't own no car/
And my goons-a-lay you down like a porno star/
Yeah, im lookin hotta, hey/wit a uzi two shots-a-a-
knocka-way-two-cops-a-block-a-way,nigga!/
[Verse 3: Tony Yayo]

(Ayo Let me put some work in, its been a while

Ayo, uno, dos, tres, cuatro
My clique eat like the 12 holy apostles
And bust down models in flushed out tahoes
Jewels froze look like we hit the lotto
P89, my clique filled wit hollows
Stun in the club get hit with yellow bottles
Don't speak ma, if your neck don't swallow
'cause 50 push bentleys and Dre push Diablos
That Eminem money got cash in my eskro
Screws Mcduck say swimmin in my cash flow
Yay rappers cracked man I got the best blow
Best flow, Banks put me in the booth lets go
Think like castro, Games in the lasso
Don't jump in the Benz without steps on the petro
God gave me this flow so I am special and 16 bars
