[Verse 1: Lloyd Banks]

Stop wastin' ya day puttin' ya time and energy into me

You got options join the army be all you can be

Cause, Its startin' to show and everybody can see

Ya envy

The team of the century

It tempts me

And, its like I got to find my way into something

I play the block like Mayo, Matumbo, David and Duncan

Armored truck system ravin' and thumpin'

Purple haze makes me able to function

I don't punch in

I might be seen in Nevada

With a Pina Collada

Shorty fiendin' to swallow

She with me in her Prada

I die for a bill believe in a dollar

For the chips anyone gets it, even Estrada

I'm ready for the drama

We heavy with them Llamas

Shells straight through your pajamas

Turn your bellys to lasanga

I'm startin' to get bored stretched out on the recliner

You a little fish in the ocean and guess whos the

Piranha (who)

We slide with them models

Outside with them hollows

Beside of the Tahoes

Providin' McDonald's
I got shows out in Germany surrounded by Nazis
Yankee fitted cap on leather Herachee
Duckin' the paparazzi
Well fuck 'em you got to watch me
Its nothin' for a cop to stop me
Hand cuff me and try to lock me
You shouldn't have dropped so soon baby ya timings
sloppy
Dog, I brighten up a room, i'm kind of rocky
Appealing to the OGs the teens like him
Every line is a punch, I should be a part of Team Tyson
Pay back is in my nature
Therefore I got a shit list, longer than a roll of toilet
paper
Every hood got a snitch a nigga claim he holdin' green
A classmate thats a fiend
And a radio I need
A project barbie and a pump thats out the vale
A little girl with a baby and a uncle thats in jail
Yeah I make records but I ain't the one bee
Which means if you take a shot at me you take shots
from me
Last nigga that said he had the bank stop stunned me
Cause he still in the hood and his tanktop hungry

[Lloyd Banks:]
Yeah I'm havin' fun with this man
This shit is not work
This is what I do on my day off
