You should hear all the bullshit they try to shoot me

Just 'cause im in the hotel lobby dont mean i'am a
groupie

Look shorty I could care less and you could always go
home

Theres other females in the hallways to bone

Be the same one thats always alone

While her friends gettn dunn n dirty

Down in room 130

Nut on her son's jersey

Im Dunn miss

Then they go back home to they boyfriends and tongue
kiss

I nevah had a wifey

But that dont mean im lookin

Cause I been stuck on the road

Every day KFC

As soon as im done she on her knees ASAP
