[50 Cent-talking]

I don't even know how to explain it, you know?
You know from time to time she's on my mind you know
You know what I mean she's my kinda girl
You know every now and then you might find
somebody you feel like understands you a lil bit, you
know?

Its all good man

[Chorus-50 Cent]

Shes something like a porno star
Shes something like a super freak
I never seen her on tape before
But when she go low she's a pro-fes-sion-al
My kinda girl, Porno star
Shes something like a super freak
Never seen her on tape before
But when she go low she's a pro-fes-sion-al

[Verse-Lloyd Banks]

Around the Carolina hood see, most niggas called her
hoe and diss her
'cause she's slowly growing up to be like her older
sister
She got a bad reputation so you don't hold and kiss her
And after one conversation you'd probly fold in twister
It aint hard to tell that honey dumb
Shes 18 goin on 21, Mama don't know where she get
her money from
Hoppin in the naughty cars, stuffed in the backseat
Lookin to score big 'cause she fucks all the athletes
Somethin like a princess gone wrong
Used to be a ballerina now she performs to "The Thong
Song"
Happily had plans to enroll in college
Now you'd rather slide down metal poles for dallas
Your fingernails and your toes is polished
But your brains on freeze, in other words frozen
knowledge
All your plans and your goals demolished
You grew up in Southside
Why niggas know you a hoe in Hollis?

[Chorus-50 Cent]

Shes something like a porno star

Shes something like a super freak
I never seen her on tape before
But when she go low she's a pro-fes-sion-al
My kinda girl, Porno star
Shes something like a super freak
Never seen her on tape before
But when she go low she's a pro-fes-sion-al
[Verse-Lloyd Banks]
I still remember how it all started
School, cuttin from class
Every boy you knew touching yo ass
Headed no where fast
I aint gonn' lie shorty I used to laugh
'cause you was the main topic on math
I seen her in the mall shoppin now im contemplating
bout stoppin
'cause she could get me off like Cochran
Now that dinner was poppin
Spoiled, her daddy was pumpin
He probly thought she'd grow up to get married or
somethin
But little did he know his little princess was a city hoe
Pretty, ooh the face, tight from the video
Damnn this bitch is thick, she on the Lil Kim shit
See her hair match the color of her lipstick
Now this chick claimed to love jewelry like Slick Rick
And had a walk on her that would leave you with a stiff
dick
Jeans had a sick fit, to make a long story short
This aint the type a bitch you wanna stick with
[Chorus-50 Cent]
Shes something like a porno star
Shes something like a super freak
I never seen her on tape before
But when she go low she's a pro-fes-sion-al
My kinda girl, Porno star
Shes something like a super freak
Never seen her on tape before
But when she go low she's a pro-fes-sion-al
