[Intro]

Come on, yeah, yeah, yeah, ay, yeah, yeah, yeah, ay...
Stop that shit and play that bitch from the top man

[Verse 1]

Fiend did it how I do it, niggas got the nerve
Major digits through this music, new shit I deserve
Pitch myself offa the ledge, I think I got the urge
Finer things when I'm climbing, diamonds and furs
Like he did rugged, they love it, I'm always out in public
Boy you used to, you suspect and ballin' on a budget
You a leecher, who does that, don't go around the
subject
Hit the bleachers, you been wack and you ain't get no
luckier
Now you dissin or I'm tripping, cause muthaf-cker listen
Offend me with what your spitting I'll be gone through
the system
Get the f-ck from round me I don't know you, its
tradition
I'm low like there's a bounty on me, police started
tripping

[Chorus]

I'm making 'em sick, you all know the remedy
Money over all, wish wrong on my enemy
I'm getting dough so the girls go to bed with me
Shawty got the plug now she gon' lift my energy (gon
lift my energy)
Thats right, gon lift my energy (gon lift my energy)
I'ma shock the World but they all gon' remember me
She gon' lift my energy

Gon' lift my energy

[Verse 2]

Uh, roads still bubbling, ball in every club I'm in
Electric when I'm walking through, come here let me
plug you in
Multitask hustlin' I'm goin' for the double win
You're falling off and fumbling
Heading right for trouble, man, I'm pimpin', I'm poppin'

My Lawyer good as Cochran
If you listen and watch him you realise I drop him
Weed copping, I'm shopping so we all the bitches
jocking
Man, I'm minking and crocking, he nervous when I'm
dropping
Man I've been on the dole for too long, its easier to do
wrong
Cautious when I get my groove on, thats how they
move on
A nigga catch ya slipping, you'll be booked
Showing off on the internet wit' what he took, another
jooks

[Chorus]

I'm making 'em sick, you all know the remedy
Money over all, wish wrong on my enemy
I'm getting dough so the girls go to bed with me
Shawty got the plug now she gon' lift my energy (gon
lift my energy)
Thats right, gon lift my energy (gon lift my energy)
I'ma shock the World but they all gon' remember me
She gon' lift my energy
Gon' lift my energy
