Chorus: Ima Squeeze First, ask questions last
as i watch all these so called Gangstas pass
so ima squeeze first ask questions last,
so if i pull it ima pop it so stay out of my way
So ima Squeeze 1st, ask questions last

Verse 1: I aint the richest but im richer than ya'll
shit Banks is like the young old Chaimberlin, all i do is
fuck bitches and ball
my eighteen niggas will slatter you for talkin that shit
you mines well hire a doctor to walk around wit
nigga your own blood will soak your clothes
and i aint worried bout you cummin back cause you
cant smell beef wit a broken nose
for now on keep your cars and your homes tinted
your piece would shine if you had some more stones in
it
if you aint pumpin or dumpin then go the hell home
cause the only clip on ya hip holds a cell phone
i kno your focused and you been writin
but all you beggin is if you can bite my ear like tyson
im in a bag big enough to get my Benz straight
and ima need a O dog and i aint talkin bout no Lorenze
Tate
an OG tol me to mark it wit da block

he been around since they hit Martin wit da rock
dont make me send niggas to your apartment wit da
glock
that'll eat all ya food up and stomp you in da socks
i got rocks but niggas cant afford to buy it
thats why i got beef bigger than Kelly Price before the
diet
you aint gon stand on my sheets so ima choose the
couch
and if you on your period you gotta use ya mouth
some remain and some switch wen da hoes got us
thats why i kno more tricks den da globetrotters
ill rush da studio maskin ya picture
make you stutta and say your verse faster than Twista

you be da header in here ,cause wen we in hotels
we gotta like tha floor down like da president deal,
you would think top is a problem
but my gurl could suck dick with braces on and without
poppin da condom
and all these groupies wanna show dey face
after tha show they follow the car longa than the OJ
chase
